

LYNE MARSHALL - 'Finding the inner artist'

Join Lyne Marshall, author of *Gleaner or Gladiator* and *Invisible Realities* for a two day workshop in her studio gallery a Tallegalla, one hour West of Brisbane in Queensland.

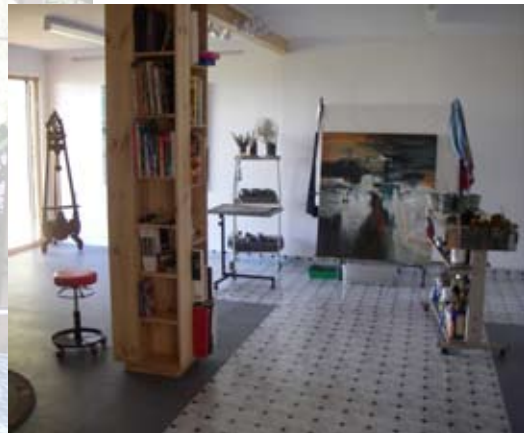

September 11th and 12th 2010

Day One : Finding your inner voice through the creative process

Day Two : Tapping your inner story through personal style and direction.

This two day workshop moves through a process of personal awareness. It is not about completing finished artworks but rather gathering resources to work through in your own studio time. It is for all who want to look deeper into understanding their creative destiny. Accommodation is available locally.
